

YOU'RE INVITED TO

A Night at the Museums

JOIN US AT THE

Great Lakes Maritime Heritage Center

500 West Fletcher Street, Alpena, MI

Monday, April 10th, 6:00 - 8:00PM

Visitors will be provided with a Sanctuary Passport to encourage them to visit stations throughout the exhibits featuring hands-on activities and crafts linked to each national marine sanctuary site such as dissecting the stomach contents (bolus) of a Laysan Albatross, participating in the "Tale of Two Acids" lab experiment to understand ocean acidification, and crafting "Shark Science-in-Action" bookmarks.

Visitors will also have opportunities to learn through a variety of multimedia theater experiences including NOAA's Science on a Sphere.

Free and open to all ages.

This is an official event of the MSU Science Festival.

The MSU Science Festival is a multi-day series of events that highlight science, technology, engineering, arts, and mathematics (STEAM). Special events are held across the state with a concentration of activities in the East Lansing and Detroit areas. The MSU Science Festival features talks, demonstrations, tours, open houses, guest speakers, and hands-on activities for lifelong learners of all ages.
